🏠 EXPERIENCE

Academy School District 20 + Jeffco Public Schools

Creative Mentor & Visual Arts
Educator

Colorado Springs, CO
2016 - Present

- Designed and facilitated collaborative creative environments spanning visual arts, digital media, photography, motion, and design.
- Built scalable workflows and instructional systems supporting creative production, technical onboarding, and project-based collaboration.
- Developed cross-disciplinary creative experiences integrating traditional media, digital tools, AI-assisted workflows, and visual communication strategies.

The Print Shop Screen Printing Studio

Founder & Creative Director

Colorado Springs, CO
2024-2025

- Founded and operated an independent screen printing and creative production studio specializing in apparel design, branding, and visual storytelling.
- Lead end-to-end creative workflows spanning concept development, illustration, client collaboration, print production, photography, and promotional media.
- Designed scalable production systems balancing efficiency, craftsmanship, and high-quality manual print execution across diverse project types and timelines.
- Collaborated with artists, schools, nonprofits, small businesses, and emerging brands to develop visual identities, merchandise systems, campaigns, and creative assets.

Wildwood Guitars

Media Production Manager

Louisville, CO
2011 - 2016

- Produced high-volume visual and video media content for one of the nation's premier boutique guitar retailers.
- Designed organizational systems and inventory workflows that dramatically improved retrieval efficiency across large multi-room inventory environments.
- Managed photography, video production, audio capture, editing, and product documentation for thousands of instruments and media assets.
