We are representatives from RNN and
these are your announcements for today

Hey Rebels! Do you have any extra cans
laying around the house?!

If you do, make sure you bring them in
beginning September 14th for this years
canned food drive and dunk contest!

This year, we are up against Chatfield again,
so make sure you show up to the event in
October, show your pride, giving spirit and let's
take Chatfield down for the second year in a
row!

Take a breath. . . ready. . .

Pause, turn to co-anchor - SMILE!

This is a reminder from the library to take care of any outstanding fees or overdue books by the end of the week if you want to be able to purchase tickets to this year's winter dance!
